District Municipality

Erratum

This is a correction to the Bojanala Platinum District Municipality advertisement published in Herald Newspaper, page 23 on 14 February 2025, regarding the following post:

1. Integrated Development Plan Clerk (IDP) Clerk

On requirements, bullet number 3 that states “admission as an attorney with right of appearance before the court will serve as an additional advantage” was mistakenly stated on the advert and will not be considered during recruitment processes.

We apologise for any confusion this may have caused and appreciate your understanding.

A handwritten signature in black ink, appearing to read 'B Makganye', is written over a horizontal line.

Acting Municipal Manager
Ms B Makganye
